ASEAN Family Lithium Battery Pack

Overview

What is ASEAN battery technology conference?

About ASEAN Battery Technology Conference ASEAN Battery Technology Conference (ABTC) stands out as the premier battery conference in ASEAN, attracting an audience of over 250 participants. We look forward to engaging with a diverse range of participants, including cell manufacturers, pack integrators, and recycling companies.

Can LFP batteries be recycled?

Singapore-based, NEU, who are specialists in LFP battery recycling will ensure a steady supply of recycled battery material, like lithium carbonate and other metals are made available to GMSB's Hydrogen-Electric-Vehicle-Battery (HEBATT) Centre for performance testing. GMSB is a subsidiary of NanoMalaysia.

Does Amita support Thailand's EV ecosystem?

With a current capacity of 1 GWh, expandable to 4 GWh by late 2025, Amita supports Thailand's EV ecosystem, backed by EA's renewable energy expertise and government incentives like a 2 billion baht BOI grant.
Established: 1986
