Albania off-grid solar power generation system

Overview

The United Nations Development Program is supporting a program to install solar panels in Albania. The program has used \$2.75 million to support the installation of 75,000 m (810,000 sq ft) of solar panels. By 2010, 10,700 m (115,000 sq ft) of solar panels were installed and by 2014 the target had been met. There are 50,000 m (540,000 sq ft) of solar panels expected to be install.
