Beirut, Lebanon on Nov 25, 2023: Alfa's technical teams have supplied throughout the day 25 stations on the Southern border with diesel fuel in full coordination with concerned authorities. Accordingly, service was restored in most of the areas fed by these sites. Alfa is also working on the.

Each base is labeled and has a "scorecard" describing its size, distance from the border, purpose, and which military units are present. Hezbollah -owned Al Manar TV published on its website the locations of IDF bases along the Lebanon-Israel border. The map, published on September 18, shows the.

MilitaryINSTALLATIONS does not list every installation. This site lists only those locations approved by the individual service branch. If you cannot find the installation you are looking for, select the closest installation in that state or country. If you need assistance with your move, contact.

This category has the following 6 subcategories, out of 6 total.

This map focuses on the deployment of the Israel Defense Forces (IDF) and the Lebanese Army as part of the implementation of the ceasefire agreement signed between the parties on November 27, 2024. Under this agreement, the IDF will gradually withdraw from the territory it entered during the ground.

Hezbollah uses dozens of such military sites in southern Lebanon. Entry to

these areas is prohibited. Local citizens, UNIFIL forces, and even the Lebanese army are not allowed to enter or even approach these areas. Some of them are very close to towns and are even located near the Lebanese army and.
