# Bulgaria solar Energy Storage Project

## Overview

---

Sofia, Bulgaria, July 28, 2025 — SUNOTEC, a leading European integrated solutions provider in the solar energy sector, and Sungrow, a global leader in PV inverters and energy storage systems, have officially signed a strategic agreement to deploy 2.4 GWh of Battery.

Sofia, Bulgaria, July 28, 2025 — SUNOTEC, a leading European integrated solutions provider in the solar energy sector, and Sungrow, a global leader in PV inverters and energy storage systems, have officially signed a strategic agreement to deploy 2.4 GWh of Battery.

November 4 (SeeNews) - German-Bulgarian solar photovoltaic (PV) plant developer Sunotec signed a five-year cross-border spread hedge agreement with UK-based energy commodities trader Shell Energy Europe for its 600 MWh battery energy storage (BESS) project in Bulgaria, Sunotec said on Tuesday. A.

The Ministry of Energy of Bulgaria has received 151 project proposals worth nearly BGN 5 billion (\$2.7 billion), more than four times the available funding. A total of 151 project proposals were submitted in Bulgaria's standalone energy storage procurement procedure named RESTORE, which is seeking.

In a milestone move that strengthens Bulgaria's clean energy ambitions, SUNOTEC and Sungrow have inked a strategic agreement to deploy 2.4 GWh of battery energy storage systems (BESS) across several large-scale solar projects in Southeast Europe. The SUNOTEC and Sungrow deal marks a pivotal point.

Bulgaria is taking bold steps toward a greener energy future, having recently wrapped up its most ambitious energy storage tender to date. With nearly 10 GWh of standalone energy storage capacity awarded—more than triple the initial target—the country is making significant headway in reinforcing.

SUNOTEC and Sungrow have announced a groundbreaking partnership to deploy 2.4 GWh of battery energy storage systems (BESS) across several solar energy projects in Bulgaria and broader Europe. Signed on July 28, 2025, in

Sofia, the deal marks a major step in energy transition for Southeastern.

Sofia, Bulgaria, July 28, 2025 — SUNOTEC, a leading European integrated solutions provider in the solar energy sector, and Sungrow, a global leader in PV inverters and energy storage systems, have officially signed a strategic agreement to deploy 2.4 GWh of Battery Energy Storage Systems (BESS).
