

Kongres Container

China s most advanced and latest solar energy storage container

- ☑ High energy density and long cycle life
- ☑ Modular structure

No need to replace the battery

Shorter charging time

Meets 99% EV car

Overview

Modern energy storage containers China manufacturers produce are like Swiss Army knives of energy: Take CATL's latest container system - it packs 6.9MWh in standard dimensions, equivalent to storing energy from 2,300 solar panels. That's enough to power a mid-sized hospital for 48 hours!

China s most advanced and latest solar energy storage container
