Djibouti Communication Digital Cluster Base Station

Overview

The Djibouti Data Center (DDC) is the first and only carrier neutral data center facility in East Africa with access to all major international fibre optic systems connecting Europe, the Middle East, and Asia Pacific regions with Africa. Is Djibouti a data centre?

Since 2013 the country has housed the Djibouti Data Centre, the first data centre in the Horn of Africa and the first Tier-3 data centre in East Africa. In October 2021 data centre services company Wingu.Africa partnered with Djibouti ISP TO7 Network to build a new carrier-neutral data centre and cable landing station in the capital.

How many cable landing stations does Djibouti Telecom have?

Djibouti Telecom has built two cable landing stations, the YAK Cable Landing Station (YAK CLS) and the Haramous Cable Landing Station (Haramous CLS). Besides th.

When will Djibouti's new data centre be built?

In October 2021 data centre services company Wingu.Africa partnered with Djibouti ISP TO7 Network to build a new carrier-neutral data centre and cable landing station in the capital. While the centre was expected to be completed in April 2022, it had yet to be inaugurated as of January 2023.

What is Djibouti Telecom?

Djibouti Telecom is today a leading strategic center for international telecommunication services in East Africa with its underlying network infrastructure including international submarine cables and terrestrial cables (between Djibouti-Somali, and Djibouti-Ethiopia).

When will Djibouti's new cable landing station open?

The new cable landing station under construction as of early 2023 in Djibouti City, the RAS DIKA cable landing station, is set to host 2Africa and the

forthcoming Africa-1, India-Europe Xpress, SEA-ME-WE-6, PEACE and Blue-Raman cable systems.

Does Sparkle have a data centre in Djibouti?

Italy-headquartered Sparkle, a telecommunications service provider, announced in July 2019 that it is establishing an internet provider facility in the Djibouti Data Centre to support its expansion in East Africa and South Africa.
