# Grenada rooftop solar energy storage project

## Overview

---

The project seeks to integrate three solar photovoltaic generating facilities totalling a 15.1MW capacity and a 10.6MW/21.2MWh Battery Energy Storage System (BESS), with the Grenada Electricity Services Limited (Grenlec) providing support for the latter.

The project seeks to integrate three solar photovoltaic generating facilities totalling a 15.1MW capacity and a 10.6MW/21.2MWh Battery Energy Storage System (BESS), with the Grenada Electricity Services Limited (Grenlec) providing support for the latter.

The Public Utilities Regulatory Commission (PURC) of Grenada is inviting expressions of interest (EOIs) for a renewable energy project at the island nation's main international airport. The project aims to increase Grenada's reliance on renewable energy and reduce its dependence on fossil fuels.

The Public Utilities Regulatory Commission (PURC) and the Rocky Mountain Institute (RMI) have entered a landmark partnership aiding the advancement of Grenada's sustainable energy goals. Supported by the Government of Grenada and the Grenada Electricity Services Ltd. (Grenlec), this transformative.

The energy regulator of Grenada is seeking expressions of interest (EOI) for a solar or solar-plus-storage project at the Caribbean island nation's main international airport. The country's Public Utilities Regulatory Commission (PURC) has issued an early market engagement (EME) announcement.

The Grenada Public Utilities Regulatory Commission (PURC) has launched a Request for Qualifications (RFQ) to pre-qualify bidders for an Independent Power Producer (IPP) tender. The project aims to establish a 15.1 MWp solar system at Maurice Bishop International Airport, marking a key step in the.

Grenada has launched a tender for consultancy services to support the construction of a battery energy storage system (BESS) at Maurice Bishop International Airport, with expressions of interest due by April 11. Maurice Bishop International Airport Image: Wikimedia Commons, Estormiz, CC0 1.0.
