Is Huawei more popular outside of South Africa than Deye/sunsynk?

Huawei seems to be more popular outside of South Africa compared to brands like Deye/Sunsynk. But I guess they launched their products too late to grab market share and popularity. Huawei SA have uploaded videos recently on detailed product features and installation guide.

Which South African power stations have gizzu branding?

Major South African technology distributor Syntech offers a power station line-up carrying its Gizzu branding. These power stations boast among the most competitive prices on the market while also sporting built-in South African power sockets.
