Huijue inverter source manufacturer

 **TAX FREE**    

Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW 115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

ENERGY STORAGE SYSTEM

Overview

Huijue Group was founded in 2002, is leading Inverter Manufacturer in China , to provide customers with the optimal energy storage system solutions and safe and efficient storage full range of products, covering household energy storage system, industrial and commercial energy storage.

Huijue Group was founded in 2002, is leading Inverter Manufacturer in China , to provide customers with the optimal energy storage system solutions and safe and efficient storage full range of products, covering household energy storage system, industrial and commercial energy storage.

Huijue Group was founded in 2002, is leading Inverter Manufacturer in China , to provide customers with the optimal energy storage system solutions and safe and efficient storage full range of products, covering household energy storage system, industrial and commercial energy storage system and.

Shanghai Huijue Technologies Group Co., Ltd (Huijue Group) was founded in 2002, is in the field of energy storage system in the leading technology innovation company, to provide customers with the optimal energy storage system solutions and safe and efficient storage full range of products.

Since its establishment in 2002, Shanghai Huijue Technologies Group Co., Ltd (Huijue Group) has been committed to becoming a leading company in the communication and energy industries. With its innovative technologies in the fields of intelligent network communication equipment and energy storage.

At Huijue Group, we are committed to delivering innovative energy solutions that drive sustainability and efficiency. Our approach is built on years of expertise, offering superior energy systems for the future of energy. We offer a wide range of products designed to meet various energy needs. Our.

What are you looking for?

.

Huijue Solar is a leading manufacturer of solar inverters and batteries in

China, with more than 20 years of experience in the industry, foreign trade sales in more than 100 countries, more than 200 R&D staff, and more than 300 patents. The company offers a wide range of inverter models to meet. What is Huijue group's new generation of smart energy solutions?

Huijue Group's new generation of smart energy solutions integrate green energy systems, advanced intelligent control systems and services to achieve energy saving at the sites, reduce energy consumption, and reduce carbon emissions.

What is Huijue's home energy storage solution?

Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it caters to households of varying sizes. It reduces electricity bills and serves as emergency backup power, providing a seamless, intelligent, and one-stop energy solution.

Who is Huijue network?

Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment. Huijue Network products are exported to Europe, North America, Southeast Asia and other countries and regions, contact us now!.

What is Huijue off-grid solution?

Huijue Off-Grid Solution integrates photovoltaic, energy storage, and off-grid systems for scalable energy self-sufficiency. The Huijue Group Off-Grid Solution comprises three main components: photovoltaic systems, energy storage systems, and off-grid systems, enabling energy self-sufficiency.

What is a Huijue system?

Ranging from 5kWh to 20kWh, it caters to households of varying sizes. It reduces electricity bills and serves as emergency backup power, providing a seamless, intelligent, and one-stop energy solution. Compact and reliable Huijue systems provide energy independence and efficiency for modern homes.

Where are Huijue network products exported?

Huijue Network's products are exported to Europe, North America, Southeast Asia and other countries and regions. Since our founding in 2002, we've been committed to becoming a leader in the network link industry.
