Latvia exempts bifacial solar modules

Overview

Today's decision means that imported bifacial modules are once again exempt from Section 201 tariffs, effective immediately. The Section 201 tariffs are back to 15% for this fourth year, and any imports from the past year under the adjusted 18% tariff are eligible for refunds with.

Today's decision means that imported bifacial modules are once again exempt from Section 201 tariffs, effective immediately. The Section 201 tariffs are back to 15% for this fourth year, and any imports from the past year under the adjusted 18% tariff are eligible for refunds with.

The Biden Administration today put imported bifacial solar panels back under Sec. 201 tariffs, after the specialty solar panels enjoyed a two-year exemption from extra duties first initiated by President Biden in 2022. This decision is part of the President's sole right to make changes to.

WE HELP NEWCOMERS to the solar industry start their own solar module production line. Customers can make BIG PROFITS by selling modules and finding investors, without wasting money and time on things they don't need! At the same time, recent geopolitical events have heightened the focus on energy.

On January 23, 2018, USTR announced that the President had approved recommendations to provide relief to U.S. manufacturers and impose safeguard tariffs on imported solar cells and modules, based on the investigations, findings, and recommendations of the independent, bipartisan U.S. International.

President Biden issued Proclamation 10779 on June 21, 2024 removing the exemption from Section 201 duties on solar cells for 'bifacial solar panels' that are imported on or after June 26, at 12:01 a.m. EDT due to surges in imports in recent years. Since no longer exempt, bifacial solar cells would.

On June 21, 2024, President Biden issued Proclamation 10779, ending the exemption from Section 201 duties on bifacial solar panels imported on or after June 26 at 12:01 a.m. EDT. With the exemption removed, bifacial solar

cells/panels will now be subject to Section 201 duties. The affected solar.

The purpose of this message is to provide guidance to modify the Section 201 action by revoking the exclusion of bifacial panels and applying the safeguard tariff to bifacial panels. On June 21, 2024, the President issued Proclamation 10779; A Proclamation To Further Facilitate Positive Adjustment.
