

## Kongres Container

# Luxembourg installs 5G base station equipment and energy storage

## Overview

---

What is a 5G strategy for Luxembourg?

The resulting national “5G strategy for Luxembourg” defines the general framework for the deployment of the 5G network. The strategy helped setting a frame for the allocation of spectrum and the overall facilitation of 5G deployment on at national level.

What is a 5G strategy?

The strategy helped setting a frame for the allocation of spectrum and the overall facilitation of 5G deployment on at national level. The complete strategy and the related background documentation are available on the “Innovative Initiatives” platform.

What is a 5G Action Plan?

In 2016, the European Commission launched a strategic 5G action plan to support the deployment and take-up of 5G networks, which brought about a consultation of national key stakeholders led by the Department of Media, Connectivity and Digital Policy (SMC).

When was the first 5G call for projects launched?

The first 5G call for projects was launched in June 2019 and aimed to trigger innovative projects in the field of new generation electronic communications.
