Mobile portable power box production

Overview

Are Lex portable power distribution boxes waterproof?

Lex products portable power distribution units have NEMA 3R, 3R Weather Resistant or 3R Rainproof environmental ratings depending on the distro box. The indoor distro boxes have a NEMA 1 Indoor environmental rating, like the versatile 100 amp 3 phase PowerHOUSE™ Pagoda portable distribution box.

How many amps does a power distribution box have?

Our power distribution boxes range from 20-800 Amps and are well known for being durable, long lasting and safe. Load Master™ Series portable power distribution boxes are the first in the industry to feature outputs with adjustable current ratings to match specific application loads.

What are load master TM series portable power distribution boxes?

Load Master™ Series portable power distribution boxes are the first in the industry to feature outputs with adjustable current ratings to match specific application loads. These temporary power distribution boxes feature 1, 3 or 4 adjustable circuit breakers, with a range of amperage and voltage ratings.
