Mobile power custom battery cabinet

Overview

Who is custom power?

See All Products Welcome to Custom Power! Custom Power is a premier custom battery pack manufacturer, specializing in complex Defense & Aerospace, Medical, and Industrial applications. We specialize in custom lithium-ion designs and offer assemblies in all other chemistries.

Who is apex mobile power?

Apex Mobile Power specializes in custom lithium battery packs and high-capacity lithium-ion battery packs, chargers, and smart lithium battery technology tailored to meet demanding real-world applications. Discover AMP's custom-built lithium-ion solutions, trusted for their durability, safety, and smart design.

Who is mobile power solution?

Mobile Power Solution's team is current on all applicable standards and testing requirements. With our state-of-the-art test facility, MPS performs regulatory approvals as part of our battery development process, and offers regulatory qualification for third party cells and batteries.

How can mobile power solutions help with battery testing?

Our experienced engineering staff, combined with our Maccor battery testers, will ensure your batteries exceed performance and warranty expectations over the life of your product. Mobile Power Solutions can ensure your battery achieves the highest standard of safety with our comprehensive testing services and facilities.

What is a C&C power battery enclosure?

C&C Power Battery enclosures are configured to meet the need of all types of applications. Battery cabinets are engineered for an uninterrupted power backup source to support the continuous operation of your critical facility.

Why do we need a backup battery cabinet?

Through cutting-edge research and innovation, advanced engineered power products for backup battery cabinets have become essential to our energy future. When the power goes out, battery backups ensure that the Internet, cloud-based data, financial and health records stay accessible.
