Solar panel manufacturers in China and Africa

Overview

Does Africa Import solar panels from China?

This report presents Ember's analysis of Africa's imports of solar panels from China. The Chinese solar panel export data gives valuable insights because it includes imports up to June 2025, at a monthly granularity, and for every country in the world. The data can be found in Ember's China Solar Export Explorer.

Who are the top 10 solar panel manufacturers in China?

The top 10 solar panel manufacturers in China—LONGi, JinkoSolar, Trina Solar, JA Solar, Canadian Solar, Tongwei, Risen, Astronergy, DAS Solar, and Aiko Solar—represent the pinnacle of innovation, scale, and quality in the industry.

Where do Africa's solar panels come from?

The vast majority of Africa's solar panels come from Chinese imports. That is because China produced 80% of the world's solar panels in 2024, and is by far the biggest exporter. Africa depends heavily on imports because domestic solar panel manufacturing is still limited.

Where are solar panels made in China?

Jiangsu Province is renowned as one of China's largest solar panel manufacturing hubs. Located on the east coast, it has the advantage of being near ports, which facilitates the ease of exporting solar panels. The province hosts a multitude of solar panel manufacturers in China, including Trina Solar, one of the world's largest.

What makes China's solar panel manufacturing industry unique?

In conclusion, China's solar panel manufacturing industry stands at the forefront of global renewable energy efforts, offering a vast array of high-quality products from leading manufacturers like Primroot.com, Jinko Solar, Trina Solar, and LONGi Green Energy.

Who are the leading solar companies in Africa?

Africa's solar energy sector is experiencing significant growth, driven by the continent's abundant sunlight and increasing demand for sustainable energy solutions. Several companies across Africa are leading the charge in solar panel manufacturing and deployment. Here are ten notable solar companies making an impact: 1. ARTsolar (South Africa)
