Top 5 Outdoor Power Supplies

Overview

Our extensive side-by-side tests measured the runtime delivered with everything from phones & laptops to camping gear & home refrigerators. We also measured the number of recharges you can deliver to an iPhone, a laptop, or even a cordless drill.

Our extensive side-by-side tests measured the runtime delivered with everything from phones & laptops to camping gear & home refrigerators. We also measured the number of recharges you can deliver to an iPhone, a laptop, or even a cordless drill.

The Jackery 2000 v2 is the best power station for most people who need ample power when off-grid camping, at home, or for an extended blackout. Recently price-reduced, it can now be found for under \$800 on Amazon. At 39 lbs, it is light enough that most people will find it easy to pack and move.

To help you decide, I tested the efficiency, in a variety of scenarios, of the best portable power stations from Jackery, Oupes, EcoFlow, Anker, Goal Zero, Greccell, Bluetti, Dakota Lithium, Lion Energy, Vtoman, and Oupes. ↓ [Jump to the Rest of the Field](#) ↓ [What to Know Before Purchasing a Portable](#).

The Bluetti Elite 200 V2 (also known as the AC200P V2) is the best portable power station we've tested to date. It's a powerhouse that combines serious capacity with smart features and rock-solid reliability. We paired ours with Bluetti's solar panels and were able to recharge it completely in a.

The BLUETTI AC180 stands out with its solid 1,152Wh capacity and fast charging. It powered a mini-fridge, lights, and phones for a full weekend without breaking a sweat. We provide a straightforward overview of our top 10 picks with honest pros and cons. This helps you find the best portable power.

Some are lightweight and easy to slip into a backpack, while others are larger and work well for emergency power at home. When choosing one, I look at battery capacity, charging speed, weight, and the types of outlets or charging ports. How often I plan to use it and what I need to charge matter.

The Jackery Explorer 2000 Plus is ideal for homeowners, RV enthusiasts and off-grid adventurers who need reliable, expandable power. With its 2,042.8Wh capacity (expandable to 5kWh with extra batteries), it can keep essential appliances running during outages or power a weekend camping trip with.
