United Arab Emirates Energy Storage Battery Manufacturing Company

Overview

Who is Emirates national Batteries factory?

Emirates National Batteries Factory's commitment to excellence extends beyond its status as the first lead-acid battery manufacturer in the Emirates. The foundation of its success lies in the high-skilled factory management, boasting extensive experience in the field of battery manufacturing.

Which companies provide battery solutions in UAE?

UAE Battery Solutions companies are organizations that cater to the power solution requirements of large companies. They are involved in leasing of batteries on yearly contracts, distribution of Traction Batteries, and Annual Maintenance Contracts for batteries.

What makes ENB a good battery company?

ENB has a professional R&D team. ENB has been developing technology, innovating and constantly optimizes the process. Our professional quality control team inspects the raw materials, production process and shipment to ensure the quality of each battery leaving the factory.
