Our quality custom lithium-ion battery storage cabinets are skillfully fabricated leveraging our 250+ team of professionals, leading-edge equipment and robotics, and 55+ years of dedication to best practices on our 4-acre plant in British Columbia.

A lustrous pod vaporizer, the Luster pod battery from CCELL® feels solid, minimal, and sleek in your hand. This pod system has consistent high vapor production and is designed to maintain the integrity of high-viscosity extracts. After many requests from customers, the CCELL Luster pod is available.

All Prices are plus VAT/taxes these are calculated with shipping cost at checkout for UK customers. For non UK orders VAT/taxes to be paid in country of destination by customer Luster is infused with CCELL's cutting-edge technology and the most exquisite craftsmanship and gives you the solid feel.

Battery storage enclosures protect technology such as lithium-ion (Li-ion) batteries. Our capabilities allow us to manufacture, paint, assemble and ship large-scale battery storage enclosures from our six manufacturing locations. Protection that delivers. We're here to protect your battery storage.

3WIN Corp is an authorized wholesale distributor of CCELL® vape products. We offer brands, research labs and extraction facilities the inventory and customization services they need to build and expand their brands. Shop our fully-stocked inventory of CCELL® hardware and explore customization.

Pickup currently unavailable at Reynoldsburg .

But what sets the Luster Pod apart from the rest?

Its vape system combines state-of-the-art ceramic core technology with

medical-grade 316L stainless steel. This ensures a vaping experience that's not only superior in performance but also safe and free from metal contamination. With over 100 Ph. Ds.
